Moisture Salon is the Capital District's premier curly hair salon, catering to all types of curls, waves, and super curly hair. We don't just specialize in curls - that's all we do! Owner and Curl Expert, **Ron Suriano**, is a Curly Hair Artistry Educator and has recently added his certification as a Deva Certified Curl Specialist to his previous experience with curls. Our years of training here at **Moisture Salon** are focused on how to create your best curls possible!

Every person with naturally curly hair knows what a hassle it can be. And to top it off, a trip to the salon often proves to be a traumatic experience. Here at **Moisture Salon**, we want to change that experience so you will look forward to your hair cut every time instead of dreading it!

Using natural, hydrating products, we will not only transform your curls into the hair you've dreamed of, we'll work with you one on one to train you on how to properly maintain your cut and to make your curls more manageable on a day to day basis.

Stop in and see what a difference a true curly hair salon can make!
